5th Sunday in Ordinary Time

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven."
 MATTHEW 5:16

The generosity of being a good steward of your gifts has a positive effect on people and it is contagious! Good works encourages more good works. Generosity is a by-product of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them and they don't put themselves above the people they have been called to help.

Saint Trivia: Which Saint killed their parents and took in a leper that ended up being an angel? **Saint Julian**

He was a noble layman, friend and counselor to the king, he was married to a wealthy widow. A stag he was hunting predicted he would kill his own parents. Julian moved far away to avoid his parents, but they found him, and came to make a surprise visit. His wife gave them her and Julian's bed. Julian killed them, thinking they were his wife and another man.

As penance, he and his wife travelled to Rome, Italy as pilgrims seeking absolution. On his way home, to continue his penance, Julian built a hospice beside a river, cared for the poor and sick, and rowed travelers across the river for free. Once, after having helped many, many travelers, Julian gave his own bed to a pilgrim leper who had nearly frozen to death. When they had him safely settled, the man suddenly revealed himself to be an angel.
